The Marvell College Newsletter

Headteacher Update

Dear Parents and Carers

I hope you all had an enjoyable half-term break with your families.

As I write this newsletter, we have a number of pupils out on the Battlefields trip, having left on Wednesday. This is a fantastic opportunity for them to experience a different culture and to better understand the sacrifices many made on our behalf.

With Remembrance in mind, at 11:00am on 11th November, the school will be observing a two-minute silence. During the week, we will also be taking time to explain to pupils the importance of respecting this.

There are lots of other trips taking place this half-term, so plenty to look forward to for everyone. Clubs are also back up and running, and it was lovely for me to talk to some of the pupils who attended KS3 Dance on Wednesday. They were telling me how much they enjoyed it. Thanks to Miss Ward for running this club and to the other staff who similarly give up their time to run other activities.

Year 11 pupils had their mock examinations in English and Mathematics before half-term and have some dedicated time in certain subjects next week to work on key coursework elements. Staff will be inputting predicted grades for pupils, which will be shared with you. These will be important when applying for colleges, apprenticeships or whatever their next step may be after The Marvell College.

Advance notice that our Year 11 Subject Teacher Evening will be on Thursday 3rd December.

I will be going to watch my eldest son play rugby again on Saturday, along with my mum. They have won their last three games, so I am hoping for a fourth win on the trot! Whatever it is that you do with your friends and family this weekend, I hope you enjoy it.

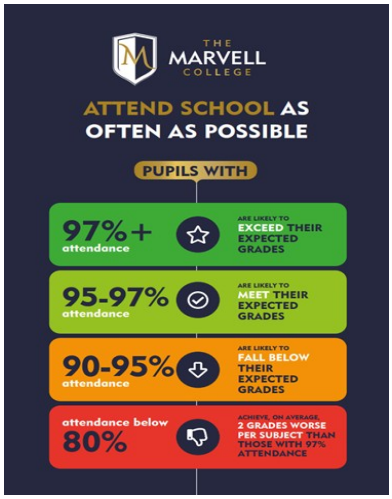

With very best wishes.

HPC Forum - Annual Survey

HAVE YOUR SAY FOR A CHANCE TO WIN £50 – HULL PARENT CARER FORUM ANNUAL SURVEY 2026

If you're a parent carer of a child or young person aged **0–25 with SEND**, we'd love to hear about your experiences over the past year.

Your feedback helps us understand what's working well, where improvements are needed and what matters most to families across Hull. We use the findings to represent parent carers' views and inform our work with local partners.

As a thank you, you can choose to enter our optional **£50 prize draw** when you complete the survey.

Book Review

Fiction Book Of The Week
Hammer Vol 1 by Jey Odin

When Stud stumbles upon one of his father's journals detailing his past adventures with Tara, Stud's mother; our young hero unknowingly makes a wish. Using "wishing coins," after reading a passage about them, Stud gets sucked into the book, and it is at the location of one of his parents' adventures! While that would be weird enough, he's fallen on top of a hammerhead shark by the name of Steele, who is suspected of killing the Ocean King. Stranded in a water world and unable to breathe without special assistance, Stud's in a bit of trouble. With no way home in sight, he attempts to finally make a friend who can help him and thus chooses to aid the Mermaid Detective trying to solve the murder case.

Pupil Collection Procedures

Dear Parents/Carers

Re: Important Notice – Pupil Collection Procedures

To ensure the safety and well-being of all pupils, we would like to remind you of our pupil collection procedures. These measures are in place to safeguard your child and ensure a smooth and secure collection process.

Please note the following requirements:

- The individual collecting a pupil must be **18 years or older**.
- They must be **listed as an approved collector** on our school system.
- If the person collecting the pupil is **not on the approved list**, they must present a **valid photo ID** upon arrival.
- A staff member will **contact the parent/carer to confirm permission** before the pupil is released.
- The **Year Team** will manage collection-related issues, as they are familiar with pupils and their families.
- If there are **any uncertainties or concerns**, the Year Team will verify the details before allowing the pupil to leave.
- If an unrecognised individual attempts to collect a pupil **without proper verification**, the pupil **will not** be released until confirmation is received from the parent/carer.
- Any suspicious behaviour will be reported to the relevant safeguarding leads immediately.

We kindly ask all parents and carers to ensure that the school has **up-to-date contact details** and a **current list of approved collectors** for their child. These procedures are in place to keep all pupils safe, and we appreciate your cooperation and understanding.

If you have any questions or need to update your child's approved collectors, please contact the school office.

Thank you for your support in keeping our school community safe.

Yours faithfully

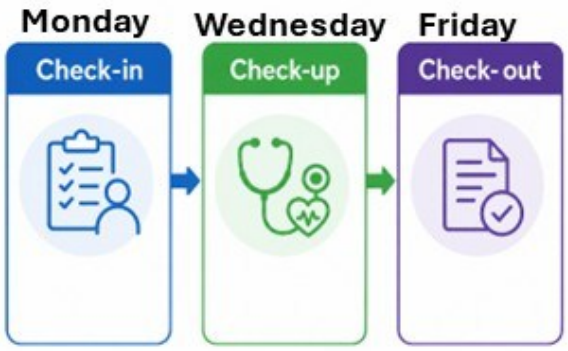

Miss S Willson
Designated Safeguarding Lead

THE MARVELL COLLEGE

Peer Support Groups

At the Marvell College knowing our pupils well sits at the centre of our practice. Peer Support Groups create planned, regular opportunities for all staff and pupils to have meaningful windows of connection. These moments create dedicated time for collaboration, support and challenge that includes all stakeholders in our school community.

It is proven that regular opportunities for young people to connect meaningfully create the conditions for more effective learning.

Pupils will meet with their peer support group three times a week to 'check-in', 'check-up' and 'check-out'. Within these sessions they will explore meaningful topics that will deepen their thoughts and opinions about the world. All pupils will develop their abilities to form arguments and convince others of their view points. In addition to this, pupils will have the opportunity to work with peers from across all year groups, to learn from one another and celebrate the diversity of our school community. For older pupils, this means they will have the opportunity to mentor younger pupils as they move through the school, younger pupils will benefit from this advice and guidance.

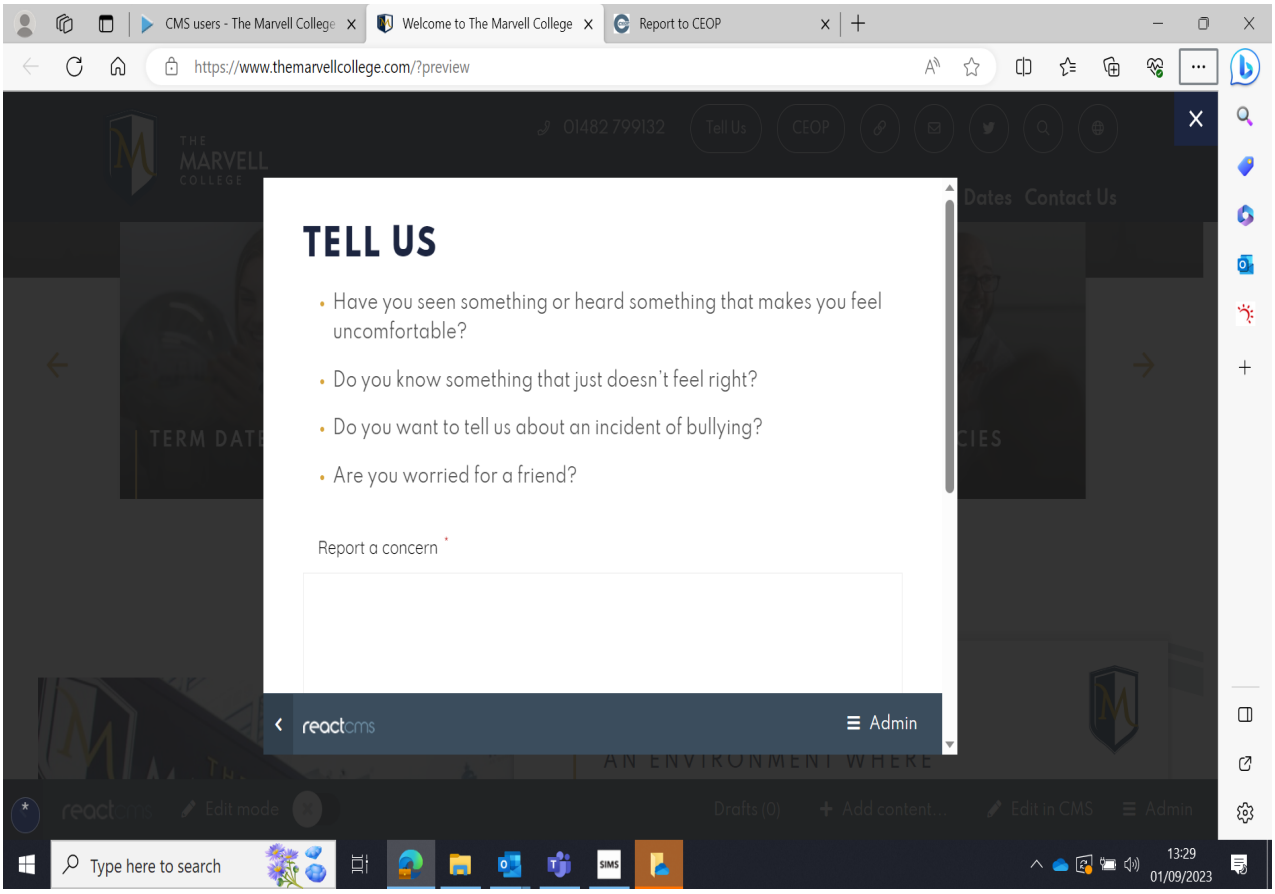

Each week, pupils will nominate peers that have demonstrated the school value to receive an ARC award. These will be celebrated during our 'check-out' on a Friday.

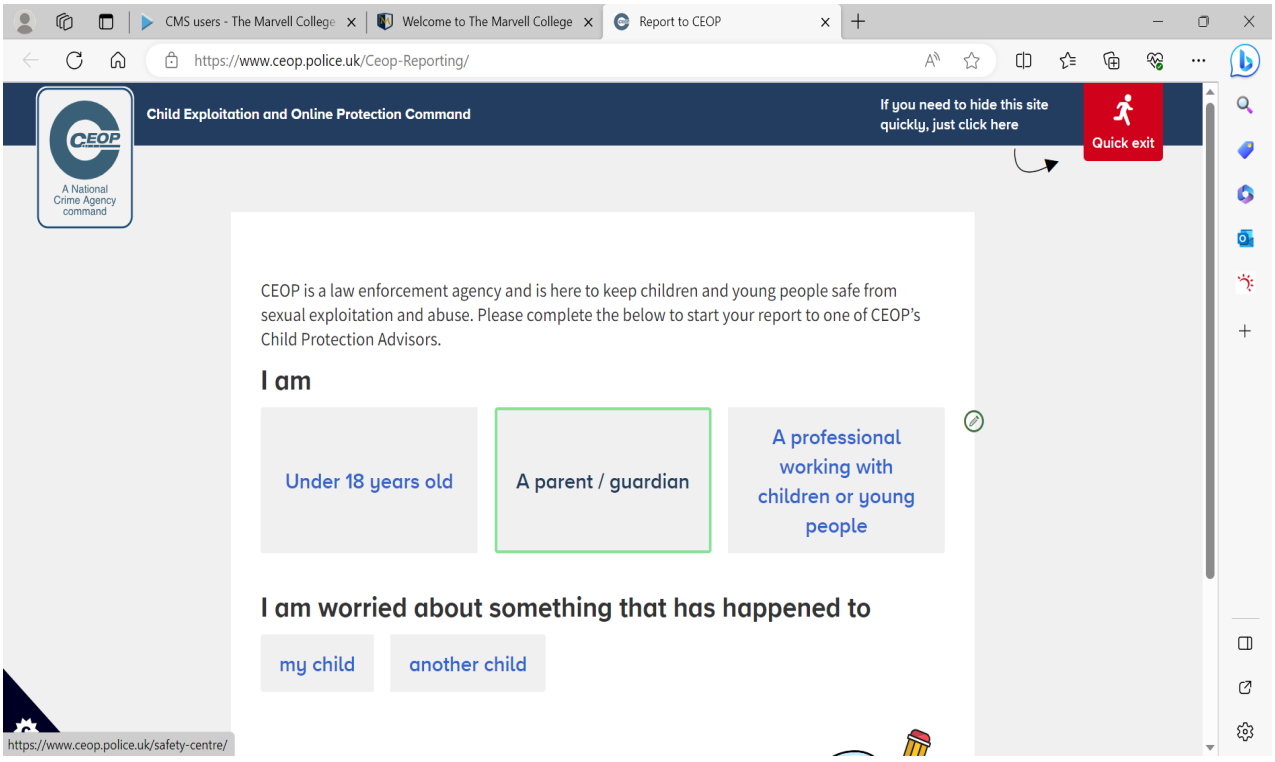

Alongside check-in questions and community builder activities, designed to support relational practice, pupils will explore weekly themes that have been selected to deepen and challenge thought. The upcoming topics for this term are identified below.

Date	Theme of the week	Date	Theme of the Week
w/c 5/10/26	Mental Health	w/c 16/11/26	Road safety
w/c 12/10/26	Free Speech	w/c 23/11/26	Voting
