Headteacher Update

Dear Parents and Carers,

A reminder to everyone about the importance of road safety around school. Schools are busy places, and I would be grateful if you would remind your children about being sensible and careful when coming onto, or leaving, the school site.

We have had several near misses, and I am worried that's something serious could easily happen. If you bring your vehicle onto or near our site, please respect the road markings when parking and be mindful of young people who may not always have the level of road sense that adults do.

We have made a couple of new appointees this week and I am please to say that a former pupil, Miss Sylvester, will be joining us as a new member of our pastoral team in the coming weeks. As always, the level of candidates seeking positions at our school is very strong and we are lucky that so many great people want to work within our community.

Congratulations to our weekly winners drawn from nominations made in peer support groups this week.

Ambition – Michael B - Year 11

Respect – Ay O – Year 11

Courage – Amelia H – Year 7

I will be seeing my mum again on Saturday and going together to watch my eldest son play rugby. We are hoping for a win this week. Whatever it is that you do with your friends and family, I hope your weekend is a good one.

With very best wishes.

Mr D Matthews

Hull City Council Mascot Competition Winner

Hull City Council Mascot Competition

During the Summer term, Hull City Council ran a city wide competition asking students to design an 'attendance mascot'. Over the holidays we were pleased to receive the news that the winner was Brooke H. 'Captain Gully' will be rolled out on posters and stickers throughout all schools and GP's in Hull to raise awareness of the importance of attendance. It is a huge achievement for Brooke and we are all very proud of her.

Book Review

Fiction Book Of The Week

Escape Room by Christopher Edge

When twelve-year-old Ami arrives at The Escape, she thinks it's just a game - the ultimate escape room with puzzles and challenges to beat before time runs out. Meeting her teammates, Adjoa, Ibrahim, Oscar and Min, Ami learns from the Host that they have been chosen to save the world and they must work together to find the Answer. But as he locks them inside the first room, they quickly realise this is no ordinary game.

From a cavernous library of dust to an ancient Mayan tomb, a deserted shopping mall stalked by extinct animals to the command module of a spaceship heading to Mars, the perils of The Escape seem endless.

Achievement

Well done to the A team Year 8 Boys for winning 1-0 vs Liberty Academy. They showed great character and worked hard supporting each other. The goal was scored by Joey P and 'Player of the Match' goes to Lleyton B. Well done lads on a great performance.

Classroom Equipment

TO SUPPORT SUCCESSFUL LEARNING AT THE MARVELL COLLEGE, IT IS IMPORTANT THAT PUPILS ARRIVE AT SCHOOL EACH DAY FULLY EQUIPPED.

All pupils should have:

- a rucksack
- a pencil case
- two 4x BIC pens
- a purple pen
- two pencils
- a ruler
- a rubber
- a calculator
- a whiteboard pen
- a TMC planner
- a glue stick
- a water bottle

Please also refer to Page 22 in the school planner.

Benefits of Sleep

Please Remember!

- Mobile phones:** Mobile phone rules – turned off, placed in pouches and in pupils bags. Not in blazer pockets. If seen, mobile phone will be confiscated and placed in the Year Office.
- Water bottles:** Bring them each day and they can be refilled during break and lunchtime. NOT afterwards, in lesson or form time.
- Out of bounds:** Pupils are not to be outside their designated areas at break and lunchtime.
- Equipment:** Pens, pencil, ruler, rubber, planner, calculator, pencil case, planner and water bottle. All in your school bag. (must be a rucksack – not a small fashion bag).
- Calculators:** All pupils are required to have a calculator and have been provided with one in the past. If they have lost it they need to buy a new one, which can be done through school using ParentPay for £10 (RRP £15).

Pupil Collection Procedures

Dear Parents/Carers

Re: Important Notice – Pupil Collection Procedures

To ensure the safety and well-being of all pupils, we would like to remind you of our pupil collection procedures. These measures are in place to safeguard your child and ensure a smooth and secure collection process.

Please note the following requirements:

- The individual collecting a pupil must be **18 years or older**.
- They must be **listed as an approved collector** on our school system.
- If the person collecting the pupil is **not on the approved list**, they must present a **valid photo ID** upon arrival.
- A staff member will **contact the parent/carer to confirm permission** before the pupil is released.
- The **Year Team** will manage collection-related issues, as they are familiar with pupils and their families.
- If there are **any uncertainties or concerns**, the Year Team will verify the details before allowing the pupil to leave.
- If an unrecognised individual attempts to collect a pupil **without proper verification**, the pupil **will not** be released until confirmation is received from the parent/carer.
- Any suspicious behaviour will be reported to the relevant safeguarding leads immediately.

We kindly ask all parents and carers to ensure that the school has **up-to-date contact details** and a **current list of approved collectors** for their child. These procedures are in place to keep all pupils safe, and we appreciate your cooperation and understanding.

If you have any questions or need to update your child's approved collectors, please contact the school office.

Thank you for your support in keeping our school community safe.

Yours faithfully

Miss S Willson

Peer Support Groups

Peer Support Groups

At the Marvell College knowing our pupils well sits at the centre of our practice. Peer Support Groups create planned, regular opportunities for all staff and pupils to have meaningful windows of connection. These moments create dedicated time for collaboration, support and challenge that includes all stakeholders in our school community.

It is proven that regular opportunities for young people to connect meaningfully create the conditions for more effective learning.

*Speak,
be spoken to,
be heard*

Pupils will meet with their peer support group three times a week to 'check-in', 'check-up' and 'check-out'. Within these sessions they will explore meaningful topics that will deepen their thoughts and opinions about the world. All pupils will develop their abilities to form arguments and convince others of their view points. In addition to this, pupils will have the opportunity to work with peers from across all year groups, to learn from one another and celebrate the diversity of our school community. For older pupils, this means they will have the opportunity to mentor younger pupils as they move through the school, younger pupils will benefit from this advice and guidance.

Each week, pupils will nominate peers that have demonstrated the school value to receive an ARC award. These will be celebrated during our 'check-out' on a Friday.

Alongside check-in questions and community builder activities, designed to support relational practice, pupils will explore weekly themes that have been selected to deepen and challenge thought. The upcoming topics for this term are identified below.

Date	Theme of the week	Date	Theme of the Week
w/c 5/10/26	Mental Health	w/c 16/11/26	Road safety
w/c 12/10/26	Free Speech	w/c 23/11/26	Voting
w/c 19/10/26	Caring for the Environment	w/c 30/11/26	Bystanders

Pupil Welfare

Our website has 2 new reporting buttons for our pupils or families who may have concerns about the welfare of a pupil. 'TELL US' for pupils and 'CEOP' for parents/carers/other. Please take a look at them below:
