Headteacher Update

Dear Parents and Carers,

Thank you to everyone who came in for our Year 7 and Year 8 Meet the Facilitator Evening and was able to meet the member of staff leading their child's Peer Support Group.

As you know, this programme seeks to build stronger connections between pupils and staff so that we might better understand each other and be in place to provide support when it is needed. A parent shared a lovely example with me this week where her younger daughter in Year 7 couldn't find a room. An older boy from her Peer Support Group saw that she was a little lost and helped her by taking her to the correct room. No fuss from anyone, no prompting by any adults, just an example of a selfless kind act. This is the type of community we want to build for our young people.

In our newsletter you will find a letter from the Hull KR Foundation thanking Our Year 10 pupils from last academic year for the fundraising they did for their charity. All pupils do great work in our community, and we were pleased to be able to support them.

A reminder that school will be closed on Friday 23rd October 2026 for half term, with pupils returning on Tuesday 3rd November 2026.

Congratulations go to our weekly winners. These pupils were drawn from nominations made in peer support groups this week.

Ambition – Jacob W, Year 7 and Dylan S, Year 9
Respect – Rose B, Year 10 and Florence T, Year 8
Courage – Lily-May B, Year 9 and Lilygrace C, Year 9

I will be going to watch my eldest son play rugby as usual on Saturday and my youngest son is travelling over from Liverpool to watch him with me, so I am really looking forward to that. On Sunday we are out celebrating a family birthday, so it is great to have something good to look forward to on both days. Whatever it is that you do with your friends and family, I hope your weekend is a good one.

With very best wishes.

Sports Fixtures Code of Conduct

Our Ref: HTh/HGi

9th October 2026

Dear Parent/Carer

Re: School Sport Fixtures – Codes of Conduct for Parents and Pupils

Please read the attached Student Code of Conduct with your child, along with the attached Parent/Spectator Code of Conduct. All information regarding policies and procedures, including attendance at home and away fixtures, is outlined in the attached documents.

Further information regarding policies at other schools across the city will be shared once finalised by Hull Active Schools. Please also share this information with any family members who attend fixtures or events.

Although we have had no incidents at fixtures held at The Marvell College, I feel it is important to share the following information and attached documents to help maintain the safe, positive and calm environment we have created for fixtures at The Marvell College.

When watching games, please do not approach or interact with referees or officials to question their decisions. Fixtures take place in a workplace and educational environment, where professional standards are expected to ensure the safety and wellbeing of pupils participating and staff working at the events.

Verbal abuse and the challenging of officials' decisions will not be accepted. Any concerns must be communicated through the team managers in a calm and professional manner. Please encourage and praise your child's effort and commitment, and take a step back to enjoy the school sport and physical activity on offer.

Please be aware that this update will be shared across all secondary schools in the city. I would also like to thank you in advance for your support in facilitating these opportunities for your child during the 2026–2027 academic year.

If you have any concerns, please do not hesitate to contact the PE Department.

Yours faithfully

H Gill

Pupil Collection Procedures

Dear Parents/Carers

Re: Important Notice – Pupil Collection Procedures

To ensure the safety and well-being of all pupils, we would like to remind you of our pupil collection procedures. These measures are in place to safeguard your child and ensure a smooth and secure collection process.

Please note the following requirements:

- The individual collecting a pupil must be **18 years or older**.
- They must be **listed as an approved collector** on our school system.
- If the person collecting the pupil is **not on the approved list**, they must present a **valid photo ID** upon arrival.
- A staff member will **contact the parent/carer to confirm permission** before the pupil is released.
- The **Year Team** will manage collection-related issues, as they are familiar with pupils and their families.
- If there are **any uncertainties or concerns**, the Year Team will verify the details before allowing the pupil to leave.
- If an unrecognised individual attempts to collect a pupil **without proper verification**, the pupil **will not** be released until confirmation is received from the parent/carer.
- Any suspicious behaviour will be reported to the relevant safeguarding leads immediately.

We kindly ask all parents and carers to ensure that the school has **up-to-date contact details** and a **current list of approved collectors** for their child. These procedures are in place to keep all pupils safe, and we appreciate your cooperation and understanding.

If you have any questions or need to update your child's approved collectors, please contact the school office.

Thank you for your support in keeping our school community safe.

Yours faithfully

Peer Support Groups

Peer Support Groups

At the Marvell College knowing our pupils well sits at the centre of our practice. Peer Support Groups create planned, regular opportunities for all staff and pupils to have meaningful windows of connection. These moments create dedicated time for collaboration, support and challenge that includes all stakeholders in our school community.

It is proven that regular opportunities for young people to connect meaningfully create the conditions for more effective learning.

Pupils will meet with their peer support group three times a week to 'check-in', 'check-up' and 'check-out'. Within these sessions they will explore meaningful topics that will deepen their thoughts and opinions about the world. All pupils will develop their abilities to form arguments and convince others of their view points. In addition to this, pupils will have the opportunity to work with peers from across all year groups, to learn from one another and celebrate the diversity of our school community. For older pupils, this means they will have the opportunity to mentor younger pupils as they move through the school, younger pupils will benefit from this advice and guidance.

Each week, pupils will nominate peers that have demonstrated the school value to receive an ARC award. These will be celebrated during our 'check-out' on a Friday.

Alongside check-in questions and community builder activities, designed to support relational practice, pupils will explore weekly themes that have been selected to deepen and challenge thought. The upcoming topics for this term are identified below.

Date	Theme of the week	Date	Theme of the Week
w/c 5/10/26	Mental Health	w/c 16/11/26	Road safety
w/c 12/10/26	Free Speech	w/c 23/11/26	Voting

Pupil Welfare

Our website has 2 new reporting buttons for our pupils or families who may have concerns about the welfare of a pupil. 'TELL US' for pupils and 'CEOP' for parents/carers/other. Please take a look at them below:
