## **The Marvell College**

### **Secondary School Admissions 2022/23**

#### **1. Background**

On 1 July 2013 Bellfield, Collingwood, Eastfield, Thoresby and Wansbeck Primary Schools converted to academy status, and joined together to form Hull Collaborative Academy Trust (HCAT). The Trust has now 14 primaries including Dorchester, Gilberdyke, Longhill, Stockwell, Sutton Park, Pearson, Westcott, Wheeler, Withernsea.

Upon conversion, the Academy Trust became its own admissions authority; this means it is responsible for setting its own admissions arrangements.

On 1 September 2016 The Marvell College joined HCAT as a sponsored Academy and the only secondary school within the Trust. As such, admissions arrangements for The Marvell College differ slightly from those of other schools within the Trust.

The Local Authority (Hull City Council) continues to be responsible for coordinating all admissions in their area, and making offers of places.

Further details on how to apply for a school place can be found on the council's website [www.hullcc.gov.uk/admissions](http://www.hullcc.gov.uk/admissions).

#### **2. Admission Arrangements**

##### **Admission Number: 260**

The admission arrangements set out how many children the schools will admit and how they will decide which applicants will qualify for places if the number of applications is more than the number of places available.

For the school year 2022/23 The Marvell College will use the following admission arrangements.

Applications for pupils with Education and Health Care Plans (EHCP) will be dealt with in accordance with the Code of Practice on Special Educational Needs. Where a school is named in a child's statement following consultation with the Head and Governors, the governing body are required to admit the pupil. After the allocation of pupils with EHCP, where the number of applications is greater than the remaining places the following criteria will be applied in the order set out below:

- 1) Children in public care at the time when preferences are expressed and who are still in public care at the time of their admission to school, and those who have been previously looked after, (see note (v) below),
- 2) Significant medical factors or exceptional family circumstances. (See note (i) below)

3) Being a resident in East Hull or the East Riding of Yorkshire

4) Having a brother or sister who will be attending the school at the expected time of admission (see note (iii) below)

5) Geographical, with priority given to those living nearest to the school (see notes (ii) and (iv) below)

Criteria 4 and 5 will be used as a tie-breaker for other criteria. If the school is over subscribed from within its catchment area after the allocation of EHCP and children under criteria 1 and 2, then the brothers/sisters and geographical criteria will be used in that order as tie-breakers.

## Notes

(i) Significant medical needs must be supported at the time of application by a letter from a GP, hospital consultant or other medical professional indicating how a pupil's medical condition relates to the school preference.

Exceptional family circumstances must be supported at the time of application by a letter from a supporting agency (eg. Social Worker or Family Support Worker) indicating how the circumstances relate to the school preference. These applications will be given consideration under a review procedure in advance of school allocations being completed.

(ii) Residence is defined as the normal family address where the child resides. The qualification date is the closing date for applications under the coordinated admissions scheme. (Where families change normal address after the closing date but before the allocation process has finished this can be considered under the review procedure).

(iii) Brothers and sisters include:

- children with the same natural parents living at the same address
- children with the same natural parents living at different addresses (eg due to separation of natural parents)
- half-brothers/sisters living at the same address
- step brothers/sisters living at the same address
- children living as part of the same family unit with their parents/guardians at the same address.

(iv) The measurement of distance is the shortest available safe route for pedestrians along footpaths, using footpaths alongside roads marked on the current street map of the City. Front entrance of home property (residence) to main entrance of school site is used. The Authority will use Routefinder, a computer mapping system, to make measurements

(v) The highest priority must be given to looked after children<sup>1</sup> and children who were looked after, but ceased to be so because they were adopted<sup>2</sup> or became subject to a residence order<sup>3</sup> or guardianship order<sup>4</sup>. Further references to previously looked after children in the Admissions Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after.

## **How and When to Apply**
