About our Academy:

Collingwood Primary School is at the centre of a vibrant, diverse and multicultural community, and we have established good links within that community. The school delivers care and education for children from the age of three to eleven.

We are an inclusive and restorative school, where every member is valued and cared for. Every adult in our school prides themselves on nurturing and supporting every child; valuing everyone's unique worth and contribution; empowering every member to achieve their fullest potential and opening a world of opportunities.

About our Trust (Hull Collaborative Academy Trust):

HCAT is a family of schools in and around Kingston upon Hull, the East Riding of Yorkshire and North Yorkshire.

We are a Teaching Academy and an Accredited Sponsor; we work with a number of partners to provide the highest quality education for all children within our schools and children in schools we support.

The focus of HCAT is our children, and we strive to ensure that every child within the Trust receives outstanding teaching and learning opportunities through collaboration and school improvement.

We are proud that the Trust has been one of the top ten performing multi academy trusts for progress in Reading, Writing and Mathematics in KS2 for the last two years.

Our Vision - Children First

HCAT schools are committed to identifying, nurturing and harnessing the talents of staff at all levels. Restorative practice forms the foundation of our culture. Throughout the Trust our Staff and Children embrace this ethos and this has helped our children to thrive in a caring and inclusive environment.

The Academy Trust, in partnership with the teaching school, also offers school to school support and high quality CPD (Continuing professional development) for schools. There is a high focus on developing quality teachers for the city and developing staff and leaders through our ECT and leadership programmes.
